Academic Session 2026/2027 | Group Assignment (30%), groups of 3-4

Assignment 2: Campus Food Ordering App - Requirements and Design

Submission deadline: Friday, 13 November 2026, 5:00 PM

Overview
Your group will write the requirements and design for a mobile app that lets students pre-order food from campus cafeterias.

Tasks
1. Interview at least 3 students and write user stories.
2. Draw a use case diagram, a class diagram and two sequence diagrams.
3. Write a Software Requirements Specification (SRS) of 12-15 pages.
4. Prepare a 10-minute presentation for week 11.

Deliverables
- SRS document (PDF) and diagrams.
- Presentation slides.
- Peer evaluation form for every member.

Estimated effort: about 20 hours per group.
